VOICES OF NEW HOPE – CHOIR & PRAISE TEAM

Contact: Bro. Gregory Sanders

DESCRIPTION: The only true requirement to be a member of the choir, praise team, and/or praise dancer is a willingness to be empty of self, so that you can become full of Him. Ability, training, talent, or gracefulness aren't requirements, just a heart that truly wants to worship the Lord. In fact, training, talent, and ability can get in the way, because they can be the tools that Satan uses to bring pride into our dance, instead of a heart of worship.

That doesn't mean that training isn't helpful though. Just like singing, or playing an instrument in worship, it is necessary to learn it. When you sing, you are using the vocabulary of the language, and the notes to express your worship. One of the things that King David is known for in the Bible is his praise and worship. Much of the book of Psalms (songs of praises) was written by him, and the Davidic style of worship has been practiced in Israel for many years, even unto today.
